SAMPLE RESUME — FICTIONAL DEMONSTRATION. This person, these employers and these results are invented by Maple & Signal to demonstrate a portfolio design.

Simone Adeyemi

Economics graduate · Business & data analyst candidate
Chicago, IL · simone.adeyemi@example.com · linkedin.com/in/your-profile

EDUCATION

Halbrook University — B.A. Economics, minor in Data Science

2022 – 2026 · GPA 3.7 / 4.0 · Dean's List (six semesters)

- Senior thesis: Price sensitivity in neighborhood grocery stores
- Coursework: Econometrics, Applied Regression, Data Visualization, Database Systems

EXPERIENCE

Data Analytics Intern — Bramblewood Health Partners

Jun – Aug 2025 · Chicago, IL

- Cleaned and merged three years of appointment data to study missed-visit patterns.
- Built a weekly Tableau dashboard replacing a manually updated spreadsheet.
- Presented findings on reminder timing to the operations director.

Marketing Operations Intern — Ferro & Lane Outfitters

Jun – Aug 2024 · Remote

- Consolidated email and social campaign data into one shared tracker.
- Drafted the summer campaign recap deck for quarterly planning.

Student Research Assistant — Halbrook University Library

Sep 2023 – May 2026

- Helped students locate and cite datasets; maintained the data-resource guide.

LEADERSHIP

President — Halbrook Economics Society

2024 – 2026

- Led a seven-person board; organized an alumni speaker series and résumé-review nights.

Lead Tutor — Statistics Peer Tutoring

2023 – 2026

- Ran weekly drop-in sessions and trained four new tutors.
